The Turin Winter School on EU Integration, Law and Justice is hosted by the Law Department of the University of Turin and is part of the 2019-2022 Jean Monnet Module on “EU Mobility and Migration Law”, co-funded by the Erasmus+ Programme of the European Union.

The second edition of the Turin Winter School focuses on the role that the public order and public security clauses play in the Area of freedom, security and justice, from three main perspectives: the new challenges they pose, the approach of EU institutions to these concepts, and how they impact the management of EU internal and external borders. The final programme will soon be made public.

The Turin Winter School mainly targets young researchers, Ph.D. candidates and graduate students. Participation is free of charge. At the end of the Turin Winter School, participants will receive a certificate of attendance.
