International Summer School
Renmin University of China
University of Torino

Would you like to experience an inspiring summer in China?
The Renmin University of China's International Summer School (ISS) in Beijing offers a variety of programs to help you make the most of your summer. As a partner of the ISS, the University of Torino is delighted to select the best students interested in the Summer School. The program does not focus only on the Chinese language, but on all aspects of Chinese life and culture. As a student in this program, you will have opportunities to take part in well-organised projects, offer input to the management of the program, and interact with Renmin students who can share their perspectives on life in China.
The students participating in the program will have the opportunity to choose up to 3 courses among a selection of more than one hundred.
All courses are taught in English.

Explore the programs below:
http://iss.ruc.edu.cn

Requirements
To apply, students must:

1) Be in good academic standing;
2) Have a good knowledge of written and oral English.

The program is limited enrolment.

How to apply
The Application Process requires a statement of interest in the program and a resumé (4 pages in total), to be sent via email **by the 31st March 2016** to Dr. Simona Novaretti simona.novaretti@unito.it; and to Dr. Margherita Poto

margherita.poto@unito.it.

The interview for the shortlisted students will be held **on 13th April 2016** at Campus Luigi Einaudi, Lungo Dora Siena 100, 2 D3 room n. 9, from 10 a.m.

Tuition fees

The students from the University of Torino will benefit from a reduction of the tuition fee (5,000 RMB instead of 6,500 RMB).
There are optional fees for accommodation at the Renmin Campus (btw 35-120 RMB/day depending on the choice: double dormitory room/single dormitory room).
Travel and visa costs are at the expense of the student. The Renmin University will send the invitation letter for the visa application after reviewing the student's qualifications.

Further clarifications about the program:
