Ph.D. Candidate in International Law, Master's in International and Comparative Law with leadership training and experience with humanitarian law, human rights, climate change issues, advocacy, and diplomatic strategies. Proven skills in project management on multicultural teams, time management, organization, first call resolution, and legal research with a background in office administration in the non-profit multilingual sector.

## EXPERIENCE

March 2022 – September /2022

**Legal Researcher ESG / Climate Change** – Omni-Pac, Allaire, France

- Draw up background notes and orientation files on key thematic and context-specific discussions as well as craft strategic policy objectives.
- Administer research as well as draft a wide range of policy products.
- Review the latest developments/publications on ESG / Climate Change and prepare corresponding briefing documents for directors and use the outcomes for academic purposes.

January 2021 – July 2021

**Universal Periodic Review (UPR) Intern** – United Nations Office of the High Commissioner for Human Rights, Geneva, Switzerland

- Support State Members in the preparation of UPR pre-session documents (compilation and summary), including research and analysis of human rights information and trend, and also with the finalization of documents and activities related to the most recent Working Group (WG) sessions.
- Help in the indexing of the UPR recommendations under the supervision of relevant State Members by performing substantive and thematic research into specific areas of the UPR's work, targeting and accomplishing diplomatic strategies.
- Assist in the preparation and revision of training and electronic material (Infographics, presentations, and video snapshots).
- Assist in the accomplishment of any other task relevant to the UPRB activities such as organization of and/or attendance in high-level meetings, panels, etc.
- Support on the Special Procedures, Treaty Monitoring Bodies, and the Human Rights Council Operations as well as Technical guidance.

January 2020 – April 2020

**Legal Assistant** - Center for Justice and Accountability, San Francisco, United States

- Perform a variety of duties in support of Special Agents and Criminal Investigators in a former case in Argentina and the United States.
- Provided investigative support regarding human rights violations and prosecutions.
- Provide factual information, communication support, or other support associated with inspections or investigations.
- Field visits in detentions as part of the studies (for example San Quentin - the largest facility in the United States and is famous for housing male death row inmates) and also the investigations when needed.

August 2017 – July 2018

**Program Assistant** - Dublin Simon Community, Dublin, Ireland

- Responsible for communicating frequently with displaced civilians, migrants, families of missing, and vulnerable people in the emergency shelter to be able to identify their needs and attend to them accordingly.
- Keep up tasks related to senior management on engaging with NGOs and other partners to promote cultural and social activities for people with vulnerability.
- Support in the planning and coordination of Dublin Simon Community engagement with civil society, donors, and Embassies in Ireland.

January 2017 – March 2017

**Youth Facilitator** - AIESEC, Trondheim, Norway

- Build relationships with the community and schools for raising awareness about Sustainable Development Goals by developing programs and facilitating a broad range of workshops and activities.
- Advocate with the Vice-president to develop a youth awareness strategy aimed at youth between 15-19 years old.
- Working with other Facilitators to develop a program that provides enough knowledge about Sustainable Development Goals and social support for youth.

January 2014 – December 2015

**Program Analyst** - TechnoServe, Catalão, and Nairobi, Brazil, and Kenya

- Ensure that best practices and lessons learned from STRYDE implementation are documented, disseminated internally for program decision-making and externally
- Establish and maintain strong relationships with other MasterCard Foundation implementing partners as well as regional/international stakeholders in the youth space;
- Ensure, where appropriate, that proposals and concept notes being developed incorporate pragmatic and effective approaches to integrating youth into value chains
- Provide strategic guidance and counsel to the Regional Director, Program Managers and country teams on youth economic empowerment approaches and priorities
